

## Swim Diaper Policy

**At AQUA Swim School, cleanliness of our water is a huge priority!** One way we do this is to ensure that our kiddos who are not potty trained wear properly sized swim diapers with a double layer of protection. According to the CDC, no swim diaper holds fecal material beyond 3-5 minutes. Having both the disposable swim diaper as well as the sealed swim diaper, helps keep everyone safe and prevents shutting down the pool for lessons!

Children are not required to wear a swimsuit or additional layer on top of their swim diapers. **WE DO NOT ALLOW** the use of any type of regular disposable diaper in the pool. These diapers do not keep solids from entering the pool. IN addition, please do not bring your child to class if they have had diarrhea within the past two days.

**Disposable  
Swim Diaper**

**Sealed Swim  
Diaper**
